

KinderArt

Inspiring confident enthusiastic learners!

Permission Slip School Year 2010-2011

At KinderArt, field trips are a part of our activities. We will go on a field trip, walking or driving, at least once a month. Parents will be notified ahead of time and there will be a sign up sheet when drivers are needed. The trips will be to local parks, libraries, museums, farms, the zoo, etc.

I give my child permission to attend field trips with his or her class.

At KinderArt, we take lots and lots and lots of photos. Some of these are used for projects, some for the slide show at graduation, some for KinderArt's website and some just for fun!

I give KinderArt permission to photograph my child and display these photographs, either in the classroom, for publicity purposes, in the slideshow or on the website. (Any photos posted on the website will be done so only with advance notice to the parents).

Child's Name: _____ Class: _____

Parent's Signature: _____ Date: _____
